

Land is life.

And yet...

... 17% of Maine is
owned by 4 families and
companies.

... 40% of Maine is owned
by multinational
corporations, billionaires,
and investment firms.

... 1% of Maine is in the hands of
Wabanaki tribes, and much of this is
held “in trust” by the U.S. government

... Less than 0.1% of Maine is
owned by non-Native people of
color, who make up
nearly 9% of the state's
population
